International Visitors

And more...

BayWa r.e.

Yusef Kanchi

Commercial Manager Baywa r.e.

"We are very happy to be in Guadalajara, a pioneer city in the solar energy industry in Mexico, we have had a very good influx of visitors from Latin America, Europe and Asia, it was impressive the number of visitors who came, we are very happy."

Denisse Rangel

Marketing Manager
S-5 Latin America

"For us it was very important to be in Guadalajara, a lot of the industry we are targeting is here, we have managed to contact distributors and professional installers, a very rewarding experience."

ENERGY NIGHT

Cocktail / Networking

We celebrated Energy Night like an impressive networking event that left attendees with a unique and unforgettable experience. This event brought together more than 350 VIP guests from the industry such as: entrepreneurs, politicians and exhibitors, creating a platform to connect, do business, and drive Mexico's energy and sustainable agenda.

VISITOR

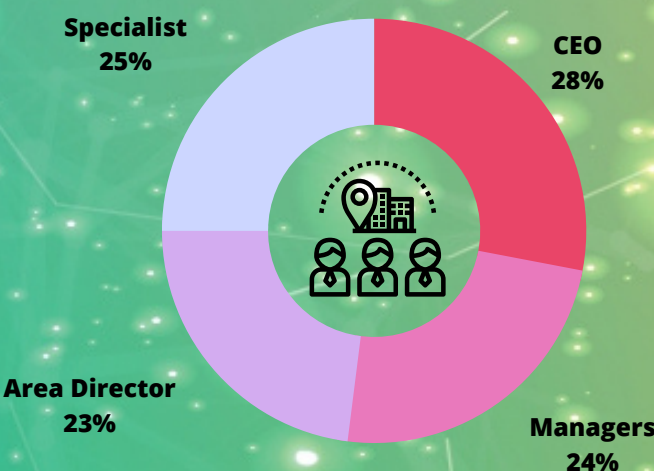

"We found a lot of different renewable energy technologies. We are opening a factory and on our first day we managed to get exactly what we were looking for."

VISITOR

"We see very good interaction between buyers and exhibitors, we met many suppliers and specialists in the field, it is a great meeting for the energy industry."
